Reach Out to Experience

Reach out to
pick someone
up after a
fall;

Sharing in their
sorrow as well as
their joy.

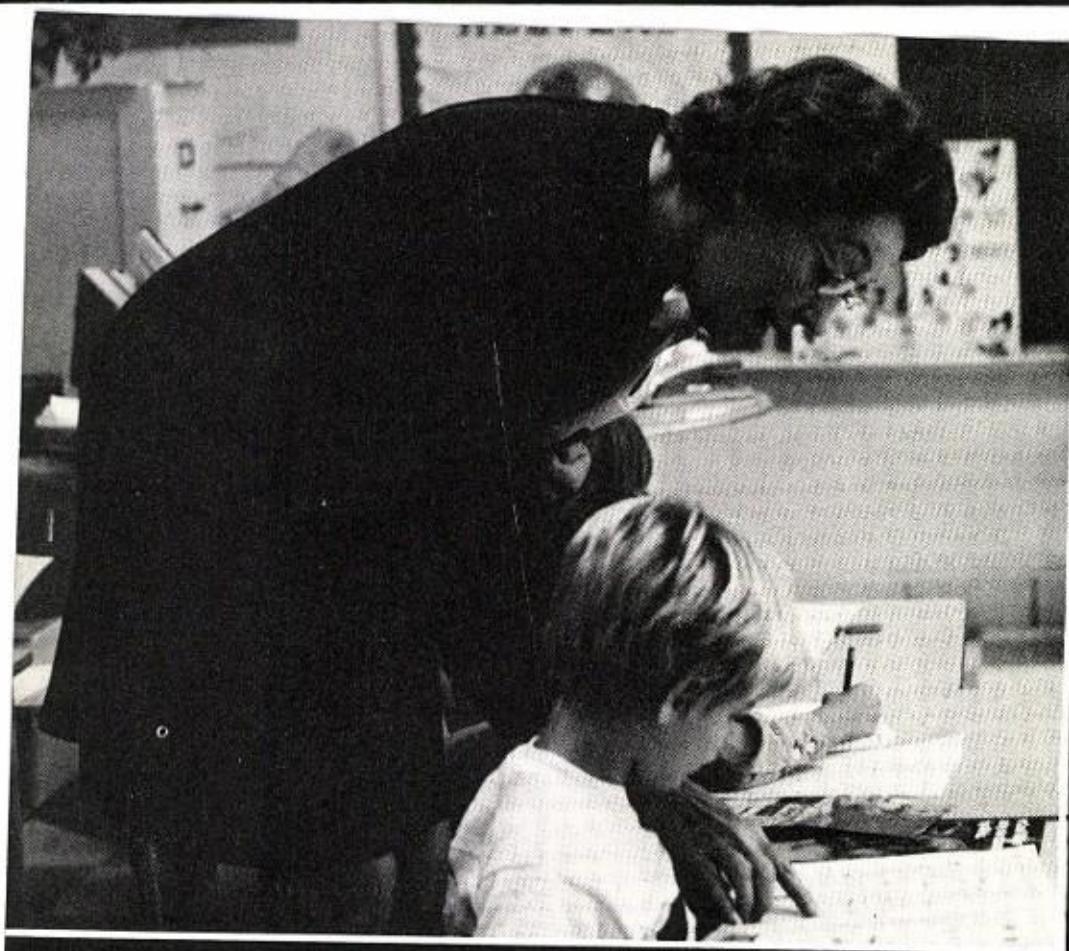

Reach out to take—not
in a selfish way but in
an inquisitive way.

From others we
learn more of
what we are
and what we
can be.

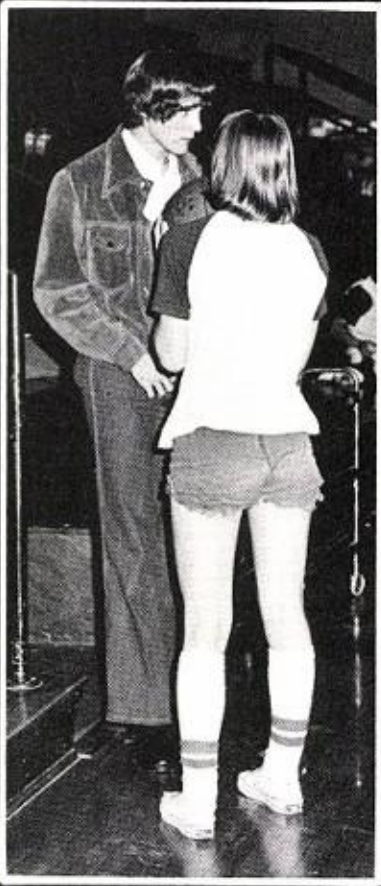

Reach out to learn.
Education opens the
doors to wisdom and
insight.

Reach out for
enjoyment. Laughter,
the music of the
soul, perpetuates
youth.

Reach out to others. We can't always be strong
and we can't always be weak.

Reach out to memories. They remind us of our
mistakes and our achievements they humble
us and encourage us.

Reach out to every moment in life. It is
the days that make these years the best years.

In Memory . . .

Patricia Jean McMullen, daughter of Mr. and Mrs. Rex McMullen, died in a car accident November 5, 1974. Pat, who was born November 11, 1957, was originally from Shenandoah, Iowa and came to Rock Port when she was a 5th grader. She was a member of the class of '76. Pat was an active person in FHA (Future Homemakers of America) and Pep Club. As a fine Christian, she was a member of the United Methodist Church and participated in United Methodist Youth Fellowship.

Gary Lee Cook, son of Mr. and Mrs. James D. Cook, was taken in a hunting accident June 8, 1974. He began his life March 9, 1958 in Atchison County and continued after birth as a good citizen of the community. Gary, as a member of the class of '76 of Rock Port High School, participated in Future Farmers of America.

Pat McMullen

Gary Cook

In looking back over the loss of these two classmates, the grief is expressed in this poem.

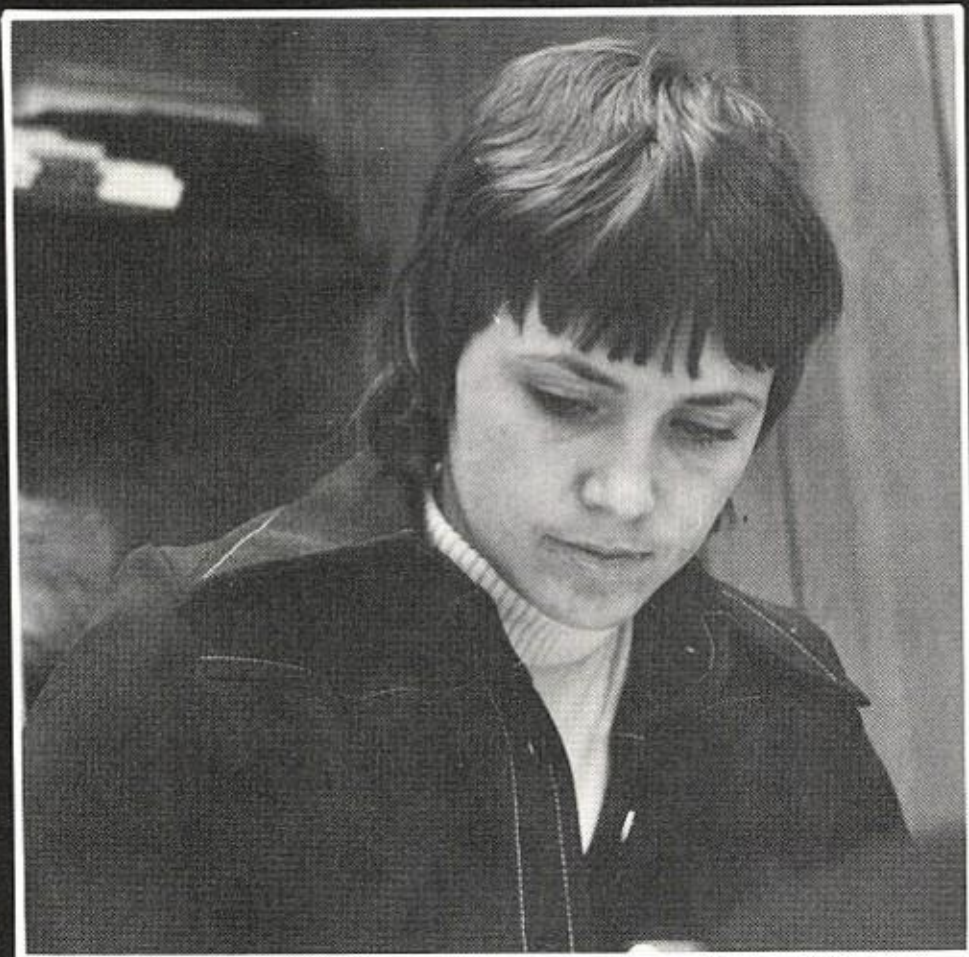

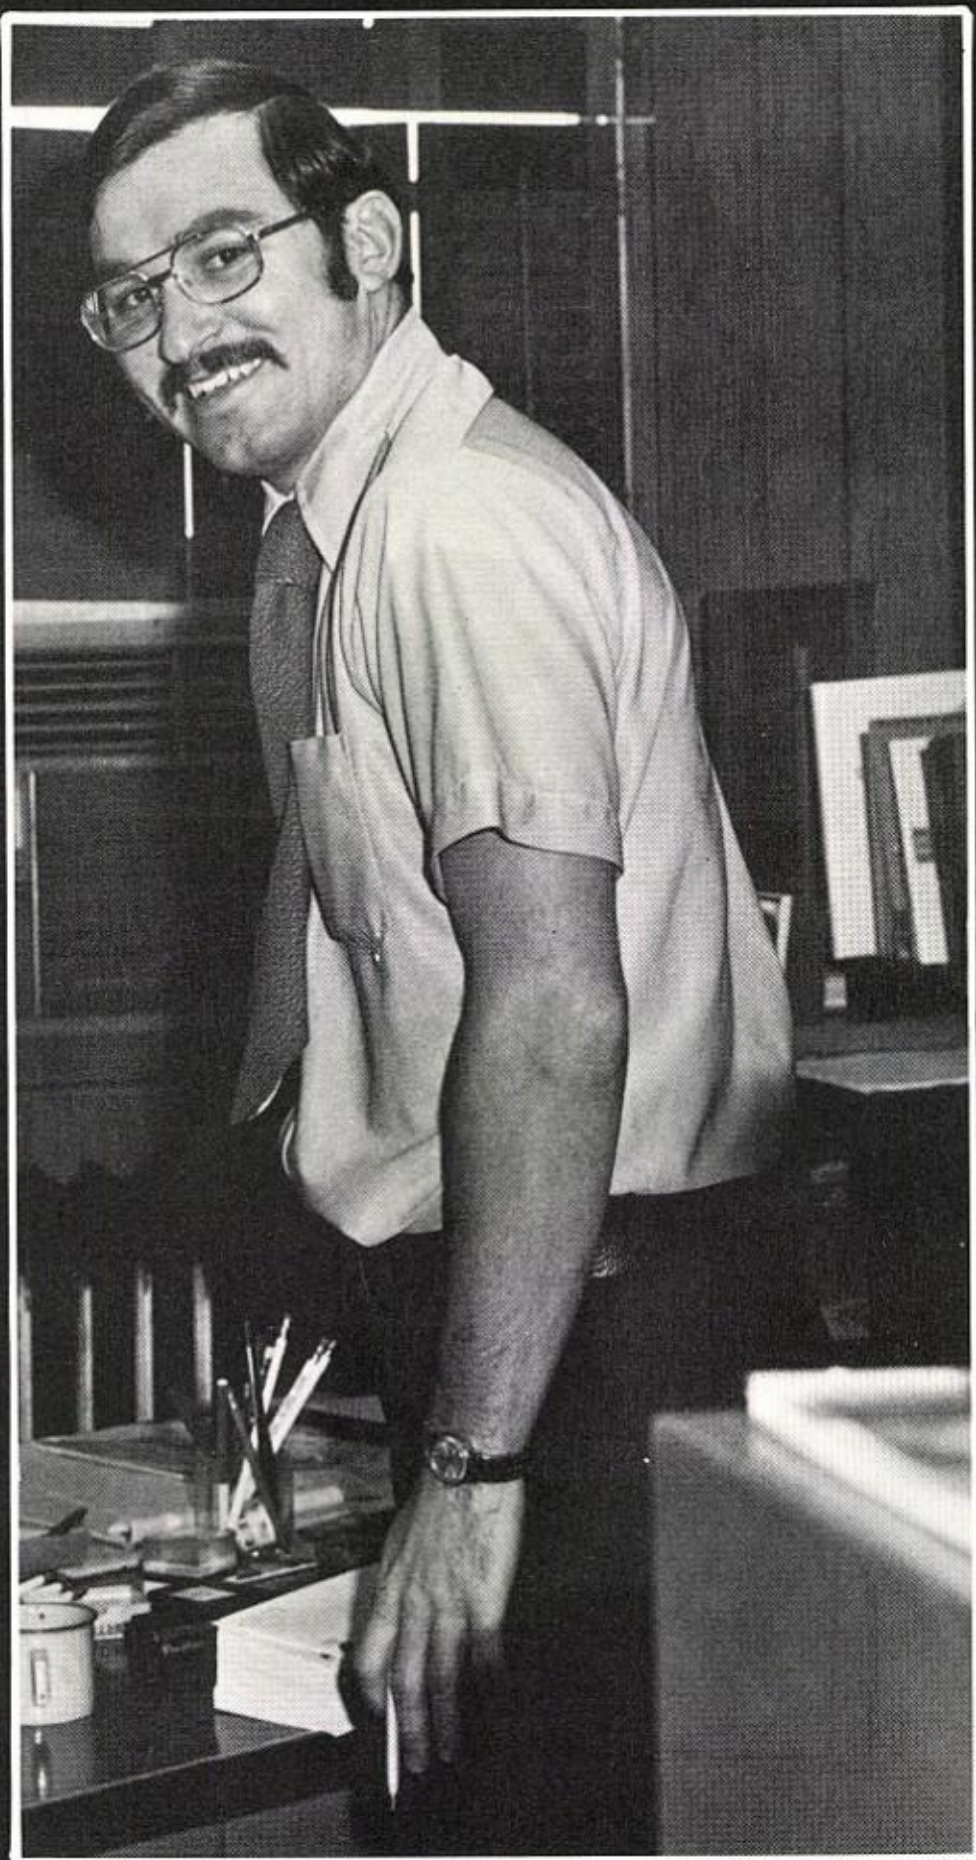

I'll never be able to say it right,
that you have gone to stay.
All I know that I can say,
Is that you have gone away.

I don't know what I'll do now,
since you have gone away.
It seems that all the things we've done,
will linger to me in many ways.

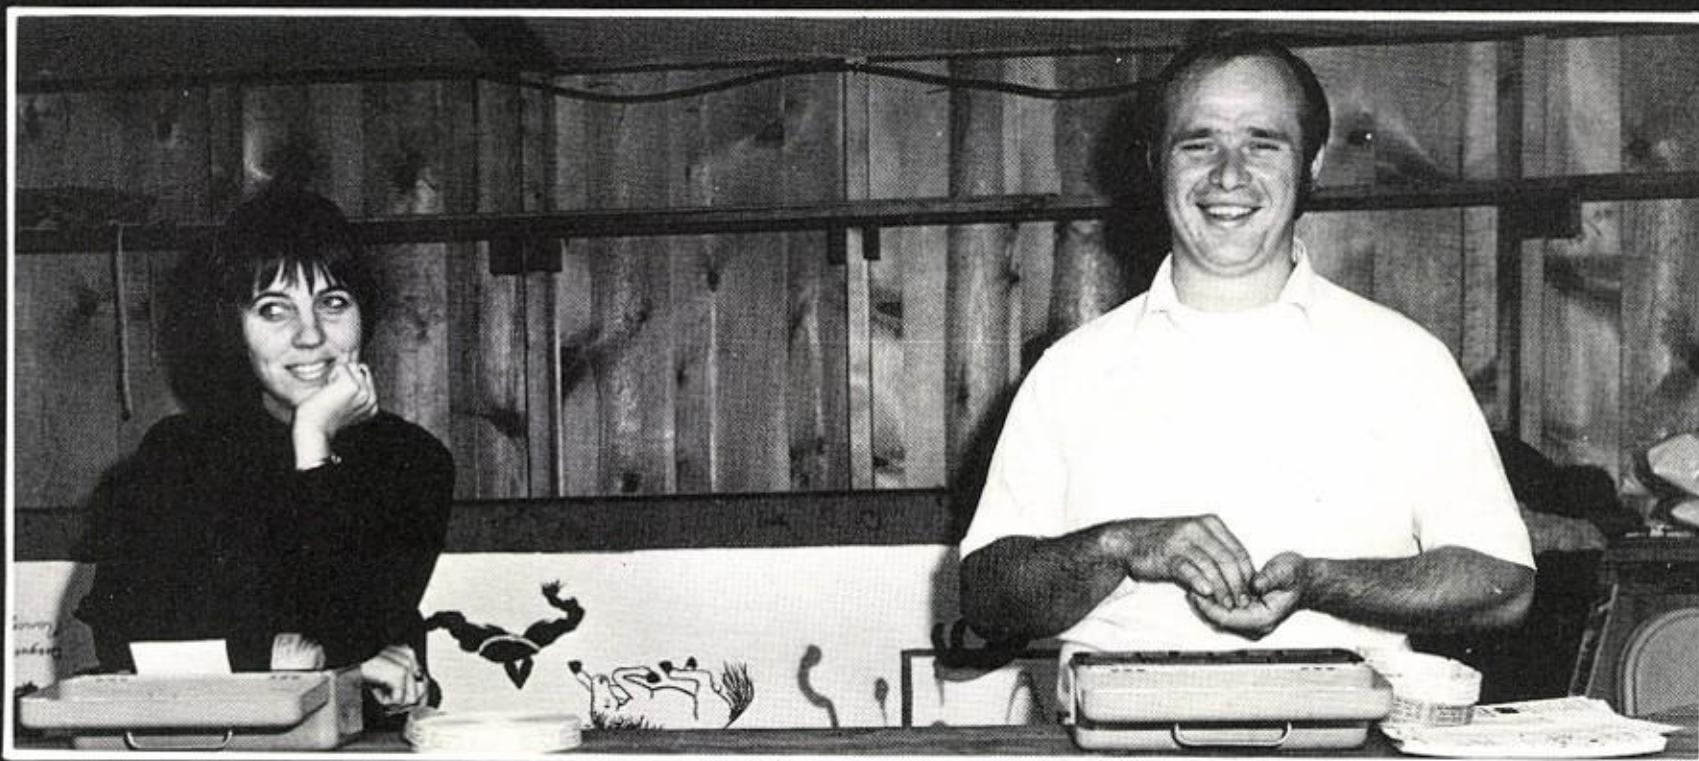

You were such a nice person,
and a good going one too.
But most of all that I can say is,
I had a real good friend, --which was you.

There is one thing I'll never know,
and if I can say it right.
I'll never be able to understand,
why you had to go on that awful night?

Backbone of Our School System

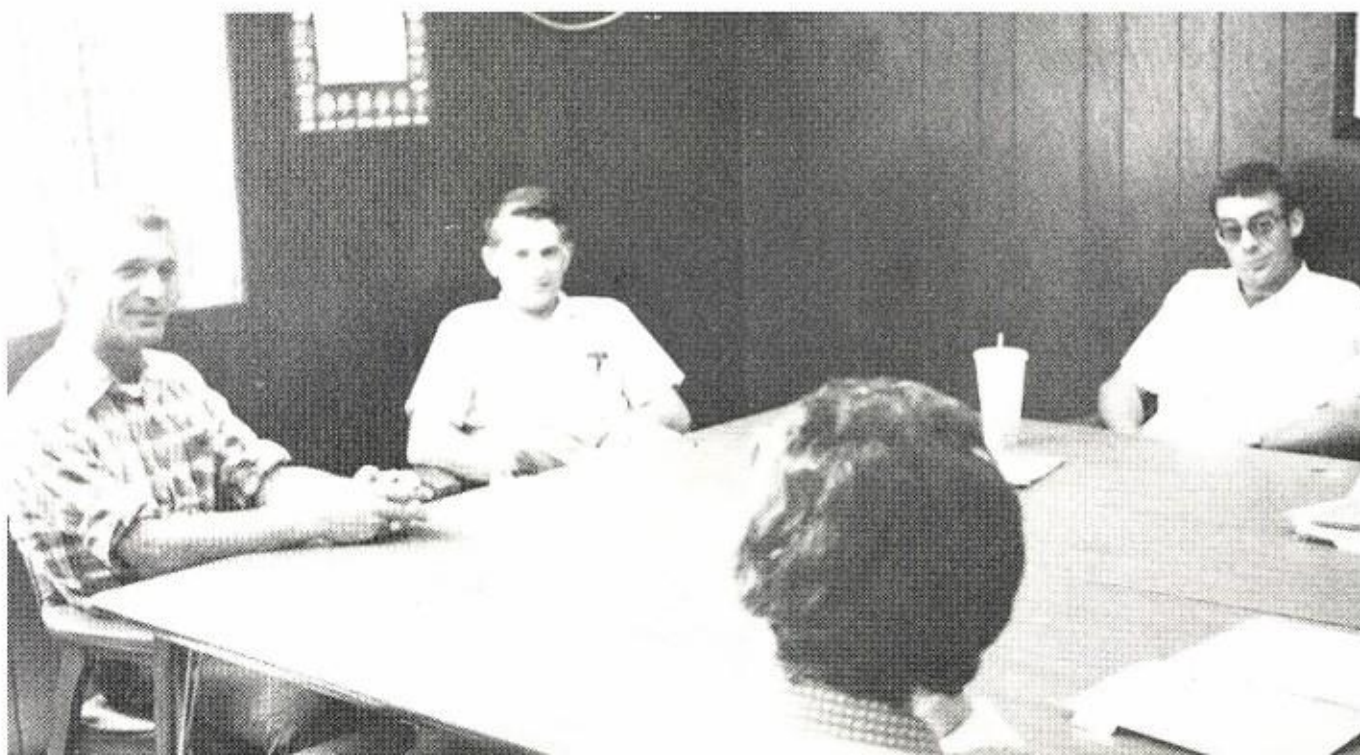

The Board of Education for Rock Port R-II consists of six members who are elected by the residents of the Rock Port School District. These six people are the backbone of our school's system. They are responsible to the people for all matters pertaining to our school. They are conscientious, deeply dedicated citizens who serve without pay and are interested in the quality of our education.

This year the school board members were required by federal law to make public their financial status. Mr. Jess Omahundro was chosen to fill the spot of Mr. Bill Stoner when Stoner refused to accept the position.

Administration

Administrations duties this year were filled by, at left: Mrs. Jennie Howell, secretary to Mr. Frank Rybnick, Superintendent. Center, Left: Mrs. Betty Thomas, Teacher Aid. Center Right: Mrs. Kathy Bogenreif, secretary to Mr. Gerald Shineman, High School Principal. Bottom, Left: Mrs. Wilma Grubb, Elementary Principal, and her secretary, Mrs. Joan Adamson. Bottom, Right: Mr. Steve Scamman, Administrative Assistant, and COE director.

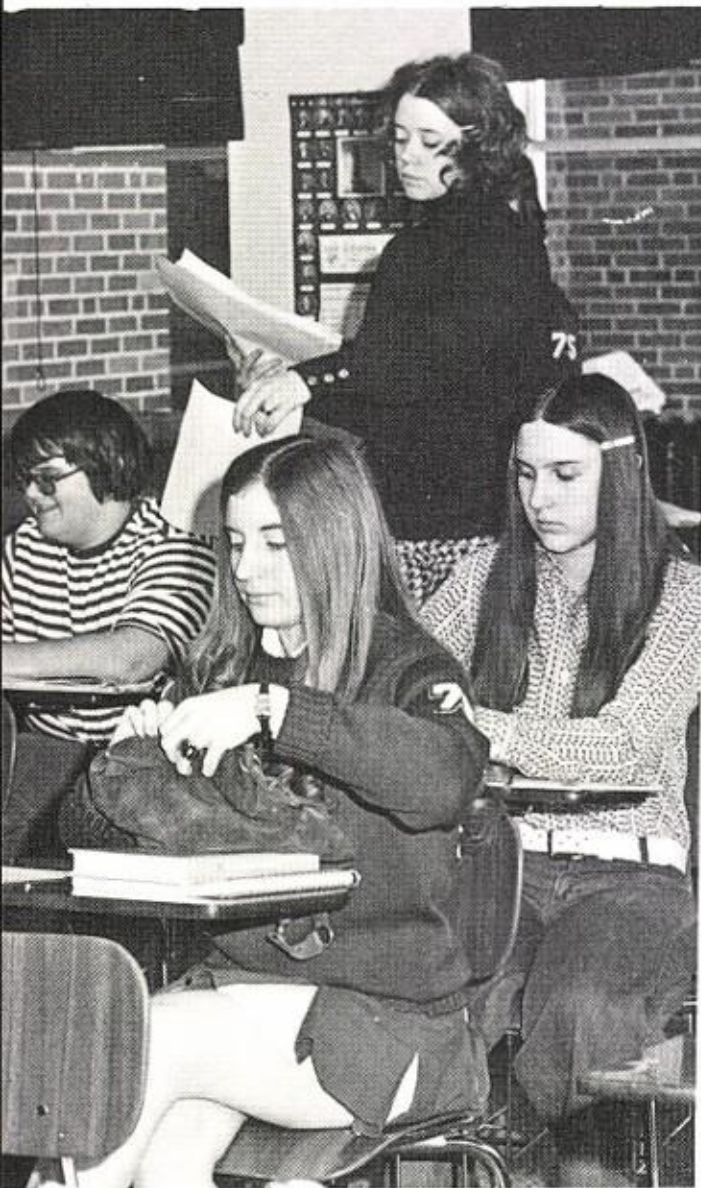

Reaching Out to Prepare

Literature, composition, communication and speech classes were taught by Mrs. Barbra Marquart and Mrs. Rebecca Christy. Mrs. Marquart taught Literature I and II and Composition I. Mrs. Christy taught Composition I and II, Communication I and Speech I, II and III.

In each of these semester classes, students kept journals. Composition students learned about sentence and paragraph structure. Some students in speech, after studying different kinds of speeches, participated in several programs and district and state speech contests.

Mr. Mark Dulgarian

Government students listen as Mr. Dulgarian explains a world concern.

Sociology students prepare reports.

Psy. played "Man and Woman".

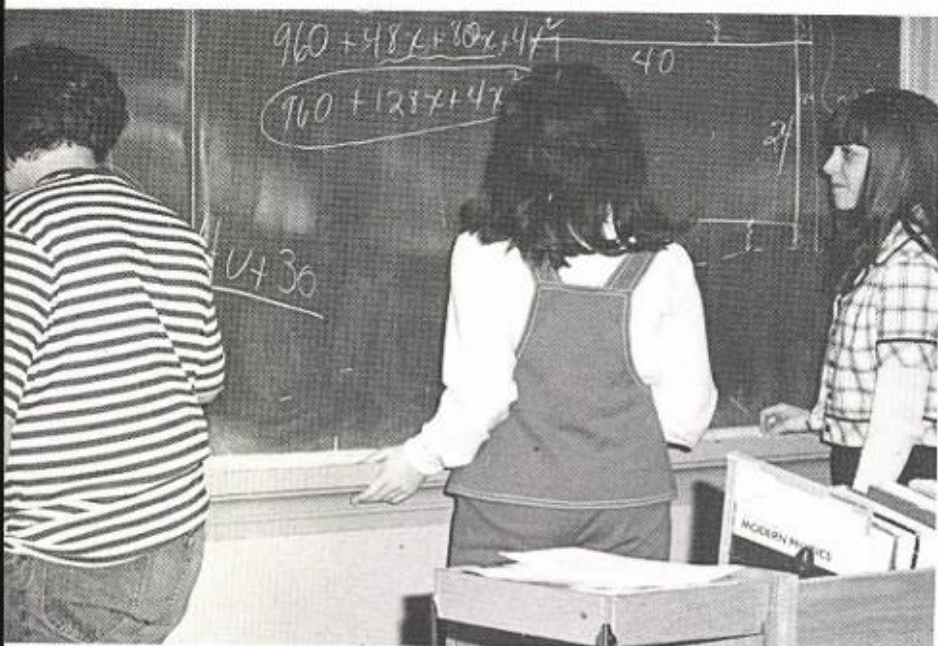

Because Rock Port High School was on the semester system this year, a varied selection of Social Science classes were offered. Mr. Gene Finke taught five different Social Science classes. The courses he taught included the study of the dawn of man, the rise of modern man, the struggle for liberty, world conflicts, the rise of communist powers, the cold war, the civil war, the old west, and the U.S. during the 1920's through 1960's. Mr. Mark Dulgarian taught four different Social Science classes along with Sociology and Psychology. They included Geography and Government.

Mr. Gene Finke's Social Science classes took notes daily as he lectured.

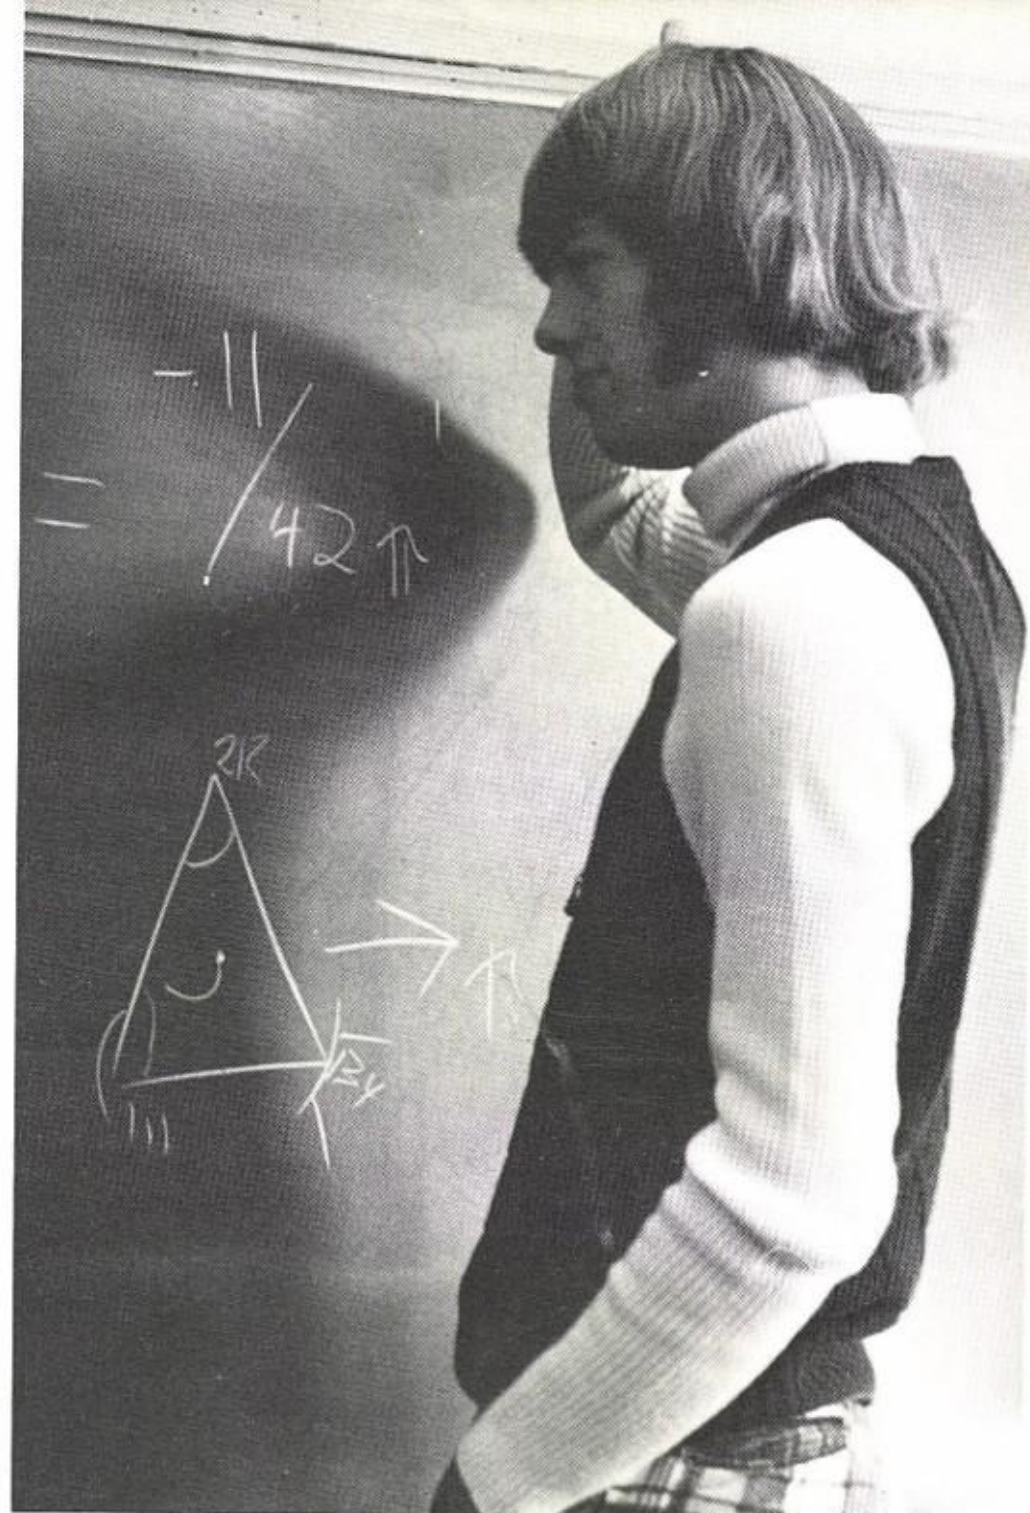

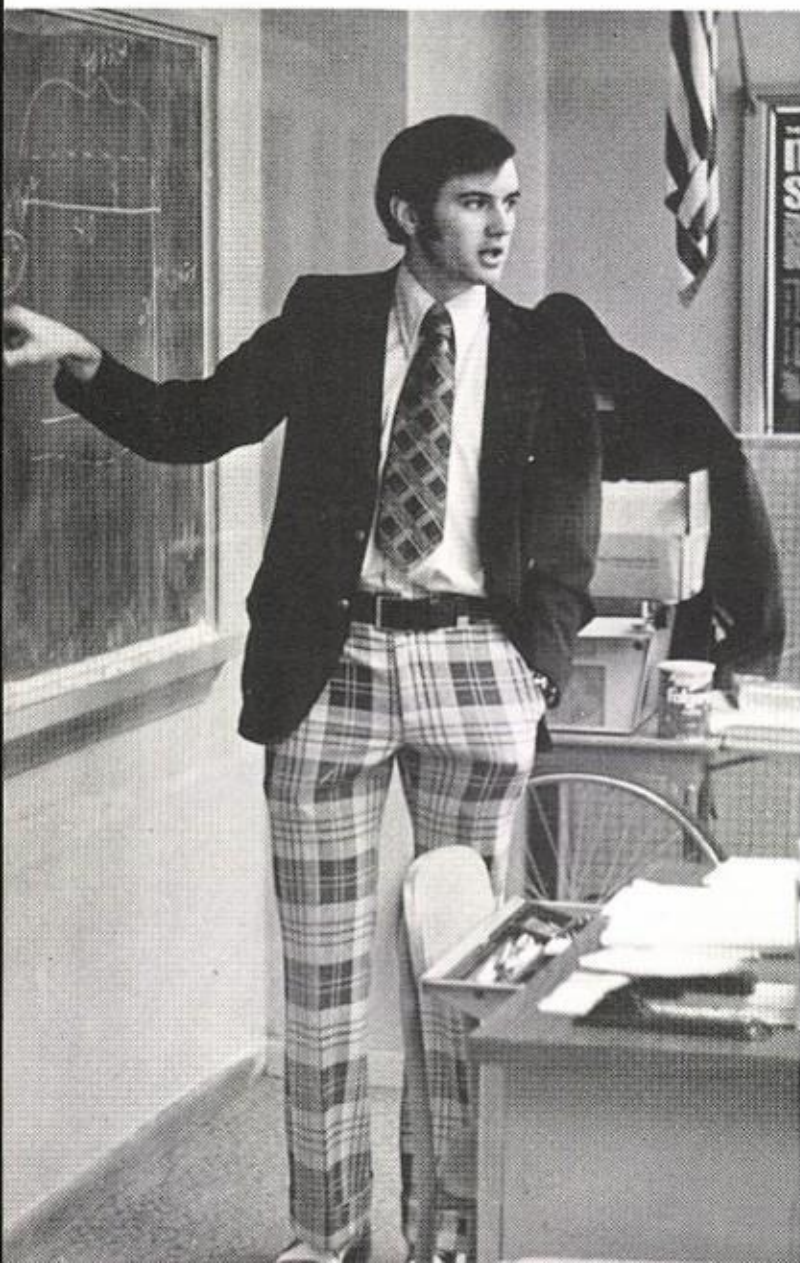

$X^3Y^2Z =$ The Good Times

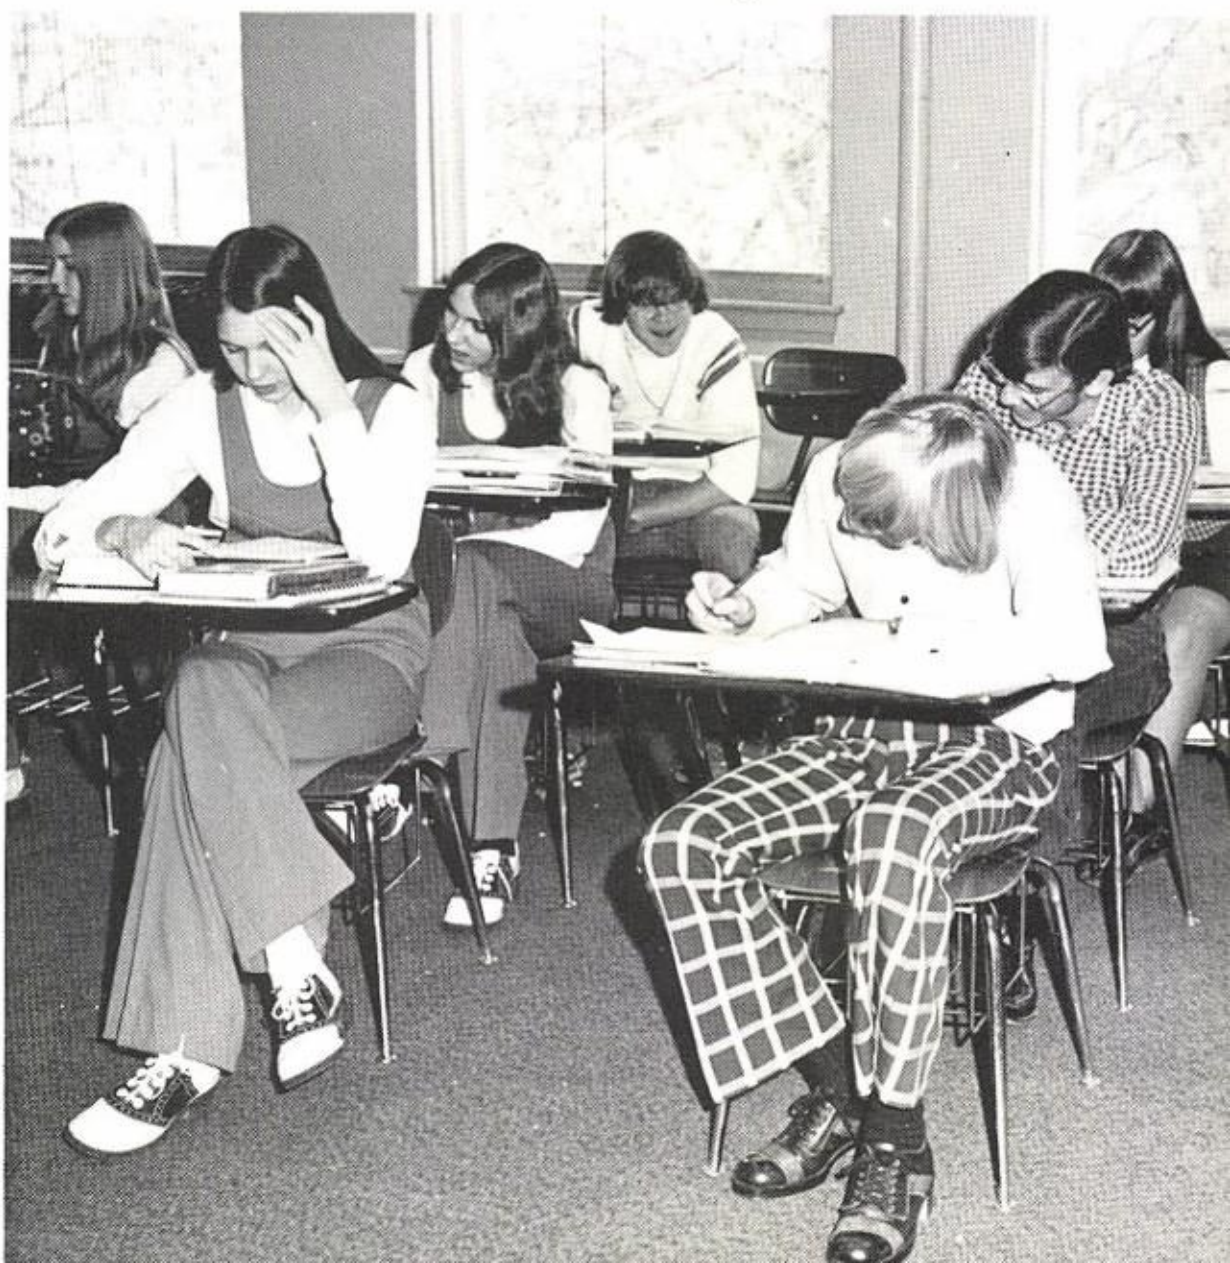

The math classes this year, taught by Mr. Wayne Moore, consisted of: Algebra I, Algebra II, Geometry, Trigonometry, and Physics. He had large numbers of students in each class and was real successful in teaching it. At Right: "I know it's one of these!" Below: "What'd you get?"

Below: The math genius at work.

Science The Fun Way

This year's Science and Chemistry classes, as all others, have added a new independent study. Students may take the class and study on their own and have it count the right amount of credits. The classes have done such things as dissecting sharks and keeping care of hamsters. Mr. Radtke has been keeping the students' brains rolling right along all year long. At Left: Scott and Mick examining the worm. Below: "What's so interesting back there?"

Foreign Language: Spanish and French Classes

Foreign Language was taught by Mrs. Jackie Miller. The students study words and learn to speak the different languages. They study the countries and their people and do culture projects. Sometimes they play card games using Spanish cards and they sing songs in the different languages. Bottom Right: Sometimes group discussions took place. Below: Jeff Walker's really soaking it in.

Mrs. Miller tells it like it is.

Music And Art

Students work on their projects.

This year art was taught by Mr. Doug Russell. The students worked on several different projects, such as: painting, drawing, 3-D designs, abstract designs, murals and many more. The project they made depended on the class they were in. With the creative minds of the students they came up with some really different ideas.

This year the music department was under the direction of Mr. Kenneth Greiner. Pictured below: Leader of the band.

Skill Building

At right: Mark Baker was good with the saw.

Like the two years past, the General Carpentry class built a house. A lot of hard work went into this house and it should make a fine home. Mr. John McClaron taught this class. The guys that built the house were Mark Baker, Jerry Clemens, Bary Cole, David Davison, Richard Esser, Willie Holmes, Jim Hudson, Reed Martin, Rick Phelps, Rick Potter, John Sheldon and Dan Stanton and they did a fine job!

Mr. Raymond Eickoff instructed the Industrial Arts this year. The classes under his instruction were woodworking. Mechanical Drawing, 8th grade shop, General Shop, and 7th grade shop.

A new class in Rock Port High School this year was Introduction to Occupations. It was designed to give the student on-the-job training in a field that he has an interest. The responsibility of this class includes four days working on the job, usually one hour out of each day and one day out of each week meeting with Miss Conboy, the instructor, and doing the various library assignments that she has given.

COE was a popular class again this year with many students finding interesting jobs under the instruction of Mr. Steve Scamman. Like last year, it was a two hour class with the student working in a place of business in the community. It is not only fun for the student but very beneficial also.

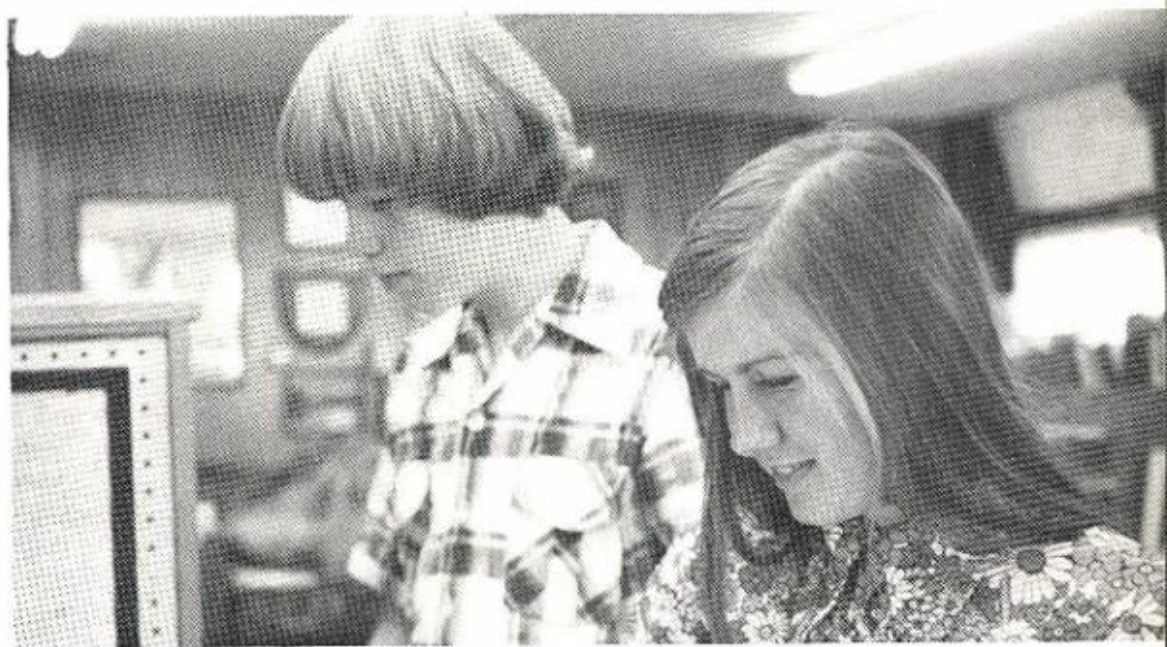

Also, another new course introduced this year was Independent Study. Students took this course during a free hour of their time under an instructor teaching a subject that the student is interested in. The students followed their own course of study with some guidance by the teacher.

Pictured Lower Left are the COE students under the direction of Mr. Steve Scamman. Getting Experience

Ag, shop and industrial art kept busy with the many varied projects that were assigned. Mr. John Pearce taught Ag I, II, III, and Semester Ag. Class study involved overhauling small gas engines, woodworking, welding, farm management, livestock judging and field crops identification. Above Center Left: Scott cuts pipe in shop. Expanding Home Ec.

Home Economics' classes went on to bigger and better things as they offered more classes. Bachelor Living offered for the first time this year, had full enrollment in both classes. Foods and Nutrition, also a new class offered outlets for interested students. Along with these were the regular classes, all taught by Mrs. Jo Tarp. At Bottom Left: Mrs. Tarp waits for the answer. Bottom Right: Keeping the seams straight is "sew" hard.

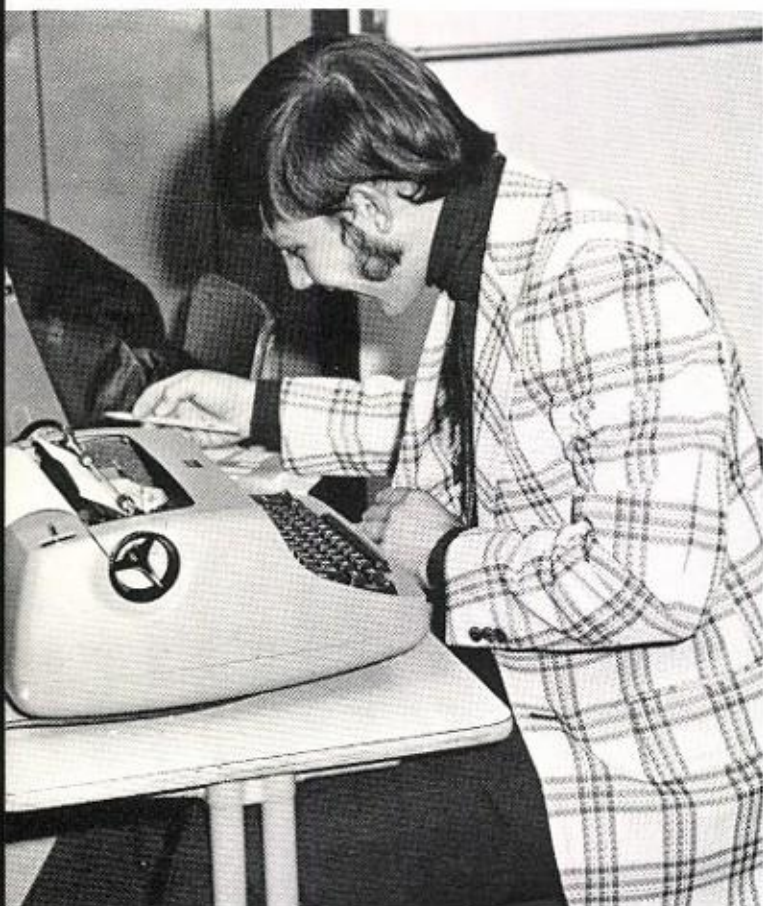

Busy-ness

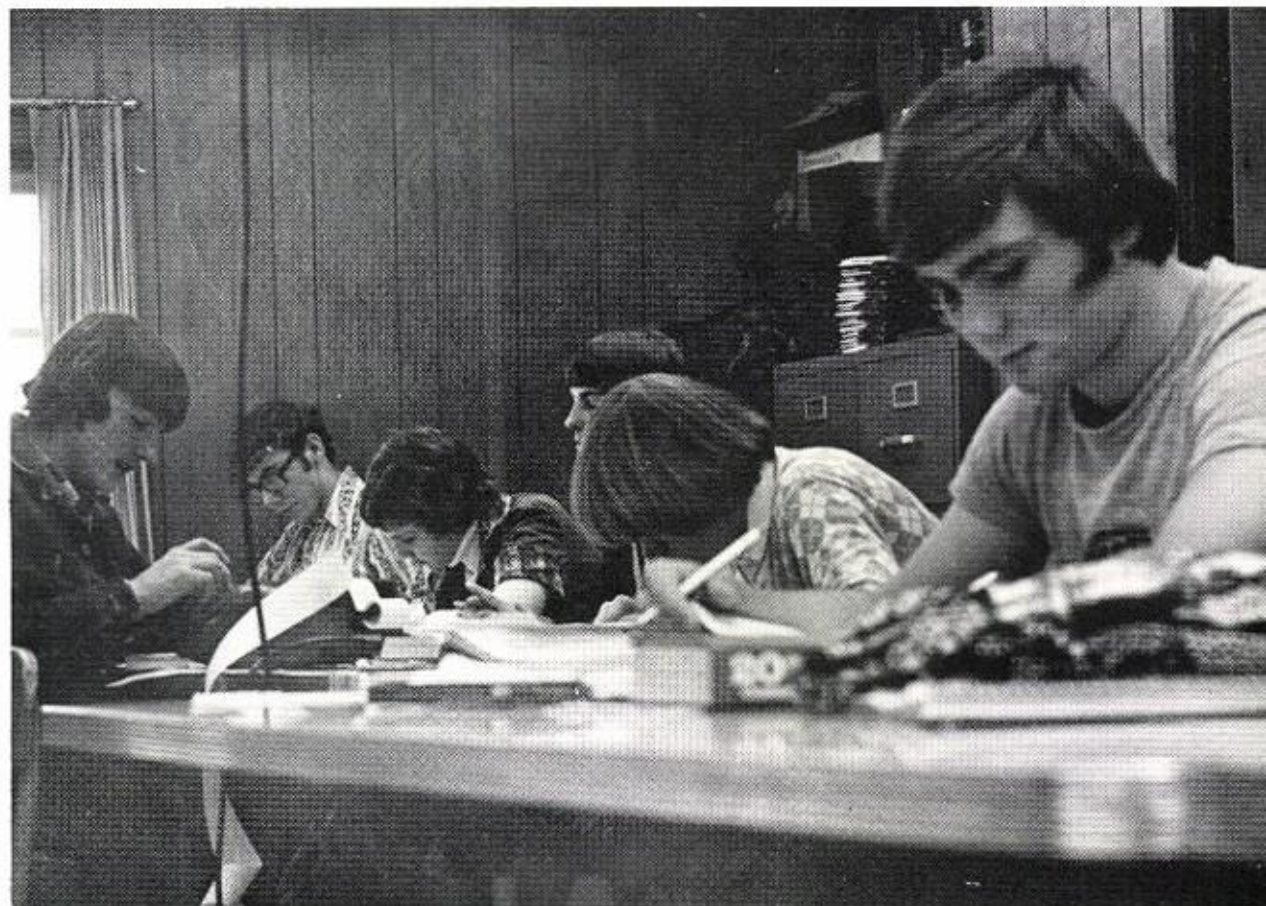

Business classes were taught by Miss Elizabeth Buck and Mrs. Kathy Runkles. Bookkeeping classes worked at their own speed this past year. In Typing, the students were kept busy taking timed writings and working on jobs. Shorthand and Office Practice classes prepared themselves with skills to be used in the business world. At Right, Marvetta and Jay are working hard on their jobs in Typing. At Left Center, Jerry erases another error.

P.E. and Drivers Ed.

This year Mr. Fran Schwenk had the dangerous and terrifying job of teaching Drivers' Education. The PE classes this year were taught by Miss Becky Brinkman and Mr. Richard Whitford. The PE classes were taught differently this year. Instead of having girls PE every other day and switching with boys at the semester; girls had PE every day the first semester and boys had PE every day the second semester. The instructors felt this system worked out a lot better. At Bottom Left: Calisthenics!

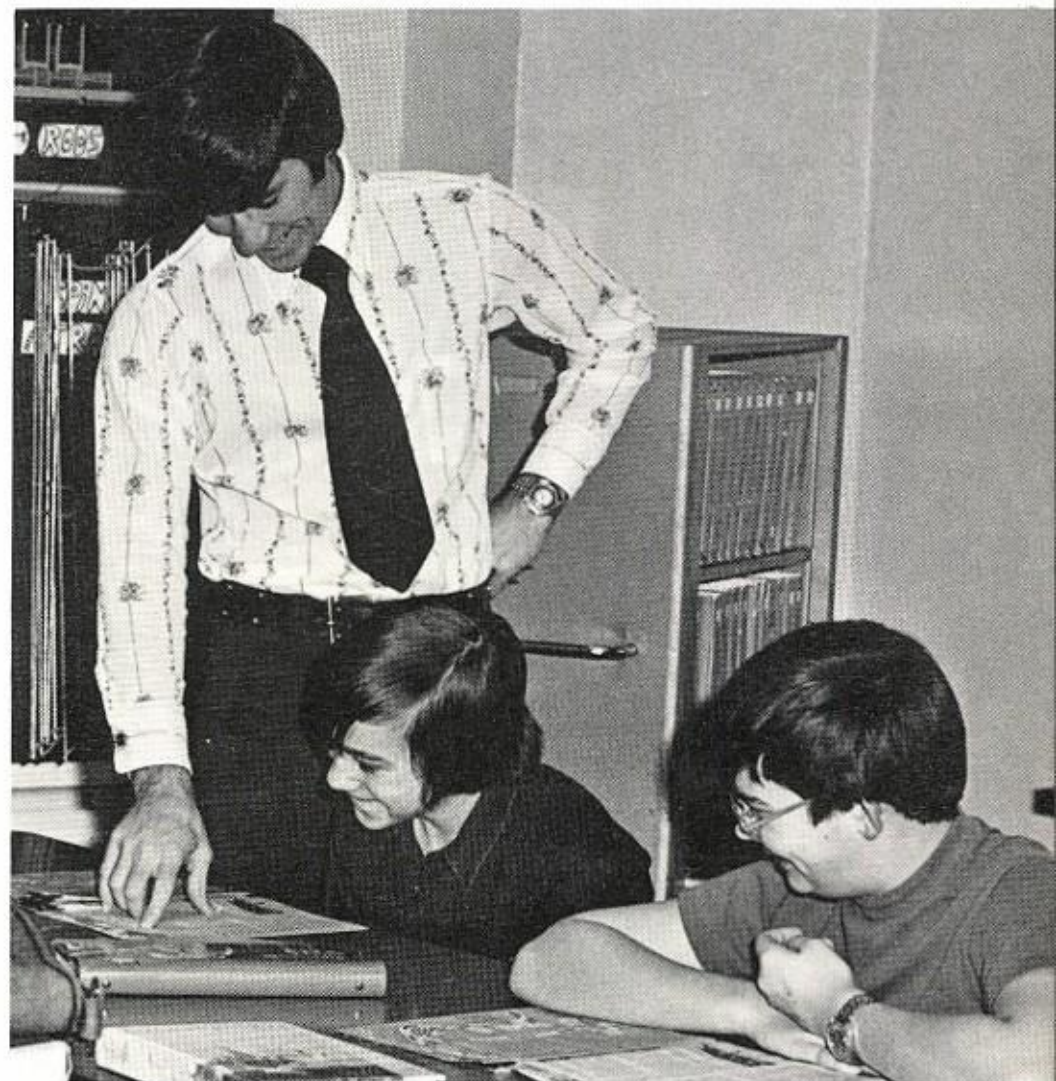

Mr. Gaines lectures the class.

Junior High Hard At Work

The two years between grade school and high school are busy ones for junior high students. Helping them get ready for high school were the following teachers: Mrs. Cindy Dulgarian, Mr. Doug Russell, Mr. Tony Gaines, Mrs. Jackie Miller, Mr. Steve Herndon, and Mr. Bill Runkles. Opposite page, Bottom: Mrs. Dulgarian was always willing to help. Upper Left: Mr. Russell supervises an art project. Left: Mr. Herndon waits for an answer. Above: Mr. Runkles lends a helping hand.

Ungraded . . . Trying and Learning

The ungraded students were assisted by Mrs. Carol Harmon with their learning disabilities. These students were kept pretty busy with bulletin boards every month and they also had several field trips. Mrs. Harmon was assisted at times by Mrs. Betty Thomas.

At Center: Mrs. Harmon shows Mary Neeman how to use the globe.

Below Center: Taking time out with a deck of cards.

At Bottom: Mrs. Thomas and Mrs. Harmon helps Mary, Lileth and Nanette with a game of "Aggravation".

Non-Teaching . . . Helping Out

The students at Rock Port R-II had the help of a lot of people and five of these are the non-teaching personnel. At Right: Miss Eloise Gade, the Speech Therapist. Miss Gade helps with improving speech problems. Below: Mrs. Robert O'Laughin, Reading Specialist. Mrs. O'Laughin is helping the students develop their reading. Mrs. Stewart helps with minor pains and checked the students health.

Miss Janet Conboy, Guidance Counselor. Miss Conboy helps the students to choose classes and future plans for the seniors and listens to their problems.

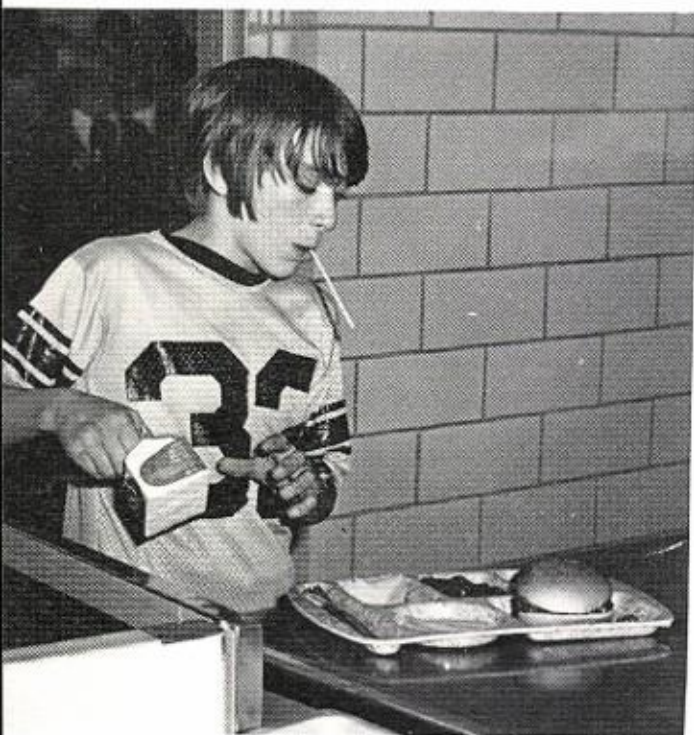

Food Supervisors

The cooks this year were kept very busy every day by getting food ready for all the high school and the grade school. They all worked together and prepared delicious meals for everyone to enjoy; students and teachers alike. Below Left: Jim Knierim gets his milk. Center Right: Students anticipate a good meal.

Maintenance

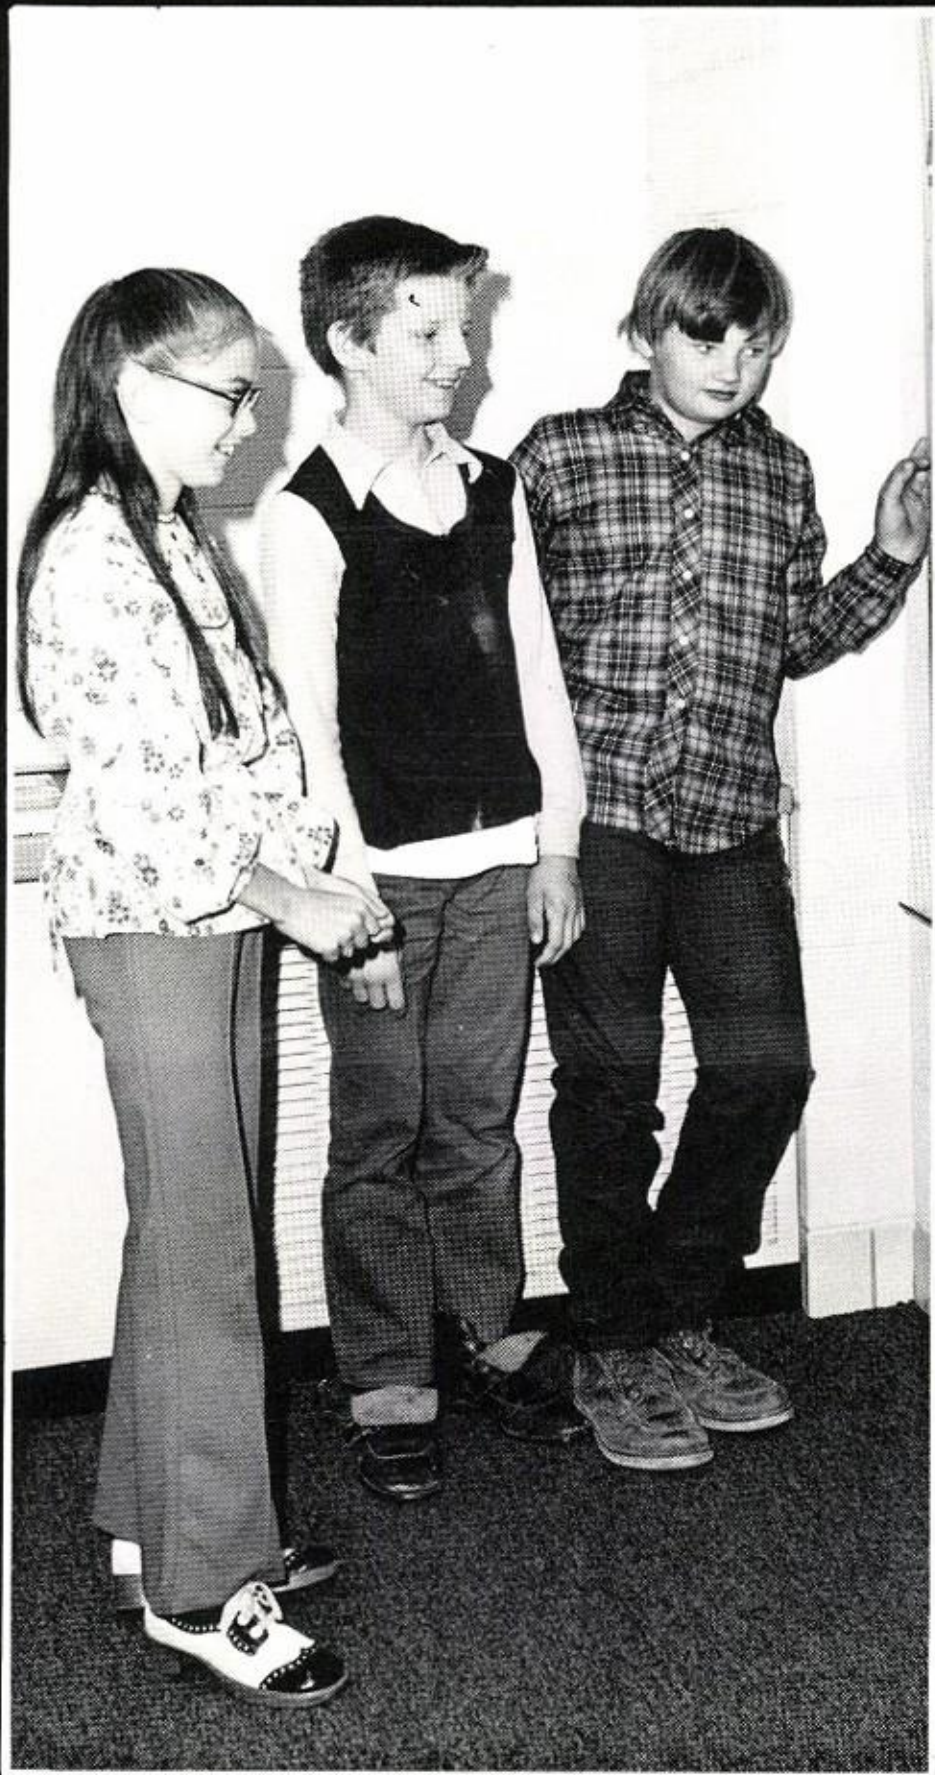

A school cannot operate without maintenance and transportation. The Rock Port schools were kept in running condition by Walt Milsaps, Royal Harmon, Loraine Chastain, Duane Thiesfeld and Wendell Lincoln. They were responsible for keeping the school clean and making repairs.

Bus drivers were kept busy picking up and taking home kids. They drove in all kinds of weather and were almost always on time. Little Ones Make a Start

Kindergarten was divided this last year into one class in the morning, taught by Mrs. Charlene Steele, and two classes in the afternoon taught by Mrs. Suzanne Fenitman and Mrs. Charlene Steele.

This year they studied colors and shapes, and learned about seasons and special holidays. They also studied early Americans and Eskimos. These children also learned of other kindergarteners, reaching out to a new start in school, in the countries of Japan and Mexico. At right: Mrs. Fenitman prepares for her eager afternoon class.

Second Reaches Out

This year's second graders were introduced to a variety of new subjects. They learned how to measure using the metric system and found out their own height in meters. At the beginning of the year they made their own rules for the class and the consequences if they didn't obey them. They had a crayfish and chameleon for study in their animal unit. Everybody also enjoyed having a Spanish lesson once a week. Above left: Mrs. Nigh lends a helping hand.

Third Step Up

This year's third graders engaged in many new activities as their horizons broadened into lots of interesting and varying subjects.

The students, under Miss Peggy Meyers and Mrs. Doris Kirby, studied the different kinds of communities, astronomy and the solar system, different foods and diets, the many environments and the climates within them. As an outside activity, they corresponded with a third grade class in California and exchanged many ideas with them.

Their math consisted of computations in base six, multiples, large digit division and multiplation, along with decimals, fractions and a touch of geometry and the metric system.

In language the students cover a diverse area from listen- ing skills, to the writing of letters, experiences, speeches, humor, book reports and parts of the sentence structure along with grammar.

The science course has many differential units too. Some of which are electricity, animal behavior, measurement, light and astronomy.

Concentrated study in the elementary school is conducted by several special teachers and helpers. Mrs. Margaret Phelps conducts the remedial reading program. Mrs. Pat Lytle teaches students who have more than one area of difficulty. Mrs. Theresa Wilson instructs students in remedial math. Mrs. Pam Whalen works with Mrs. Wilson as an instructional aid. Mrs. Helen Newton is a teachers' aid and works mostly with Mrs. Lytle. These educators help students better understand the subject matter by giving them special attention. Young Music Makers

The music activities in grades K-6 vary each day from folk dancing to singing, listening, and listening, and theory study. Grades 1-3 presented a Christmas Operetta, while grades 4-6 participated in a cantata. Sixth grade chorus is when the students put to use all their elementary knowledge of music. They sing in two-part harmony in order to prepare themselves for junior high and high school chorus. In the picture above, the students show their knowledge by answering questions in class. In the lower picture, a few students are shown performing in the Christmas Operetta.

Seventh Explores

The Seventh Graders this year tried out high school life. They were involved in many more activities such as basketball, football, and track. They also were involved in their study more; such as taking more tests and having more homework. The students had fun in their activities this year and are looking forward to next year. Jr. High Pig Skin!

The Junior High football team finished the 1974 season with a 2-2 record. The team had a tough season with coaches Tony Gaines and Bill Runkles, coaching them well. Many of the players are looking forward to playing High School ball next year. Below Left: Jays show tough defense as they sack the quarterback. Below Right: Jays have a tough go of it. Center Left: Jays punt from deep in their own territory.

Jr. High Gals Take Second

This season was a good one for Coach Gaines and his Junior High girls basketball team. The girls came off with a good record with determination and their ability to play basketball plus good coaching. The girls took away two second place trophies in two different tournaments, losing by only a few points.

Come to us.

Juniors: "Spirit of '76"

This has been a very busy year for the class of "76". They have had a lot of new experiences such as running the Junior stand, getting class rings, and putting on their first class play. They also got to plan the Junior--Senior Prom. They have faced the joys and sorrows of being a Junior and an upperclassman.

Pictured at left is Linda working in the Junior stand.

Student Council...

The Student Council sponsored the several dances and the Thanksgiving assembly again this year. The council president and vice-president attended a vocational workshop at Fulton, Missouri, to better them to lead the council and students. A new evaluation group was introduced this year which was made of two students and two teachers, selected by the student council. The purpose of the committee was to evaluate the school curriculum and suggest changes.

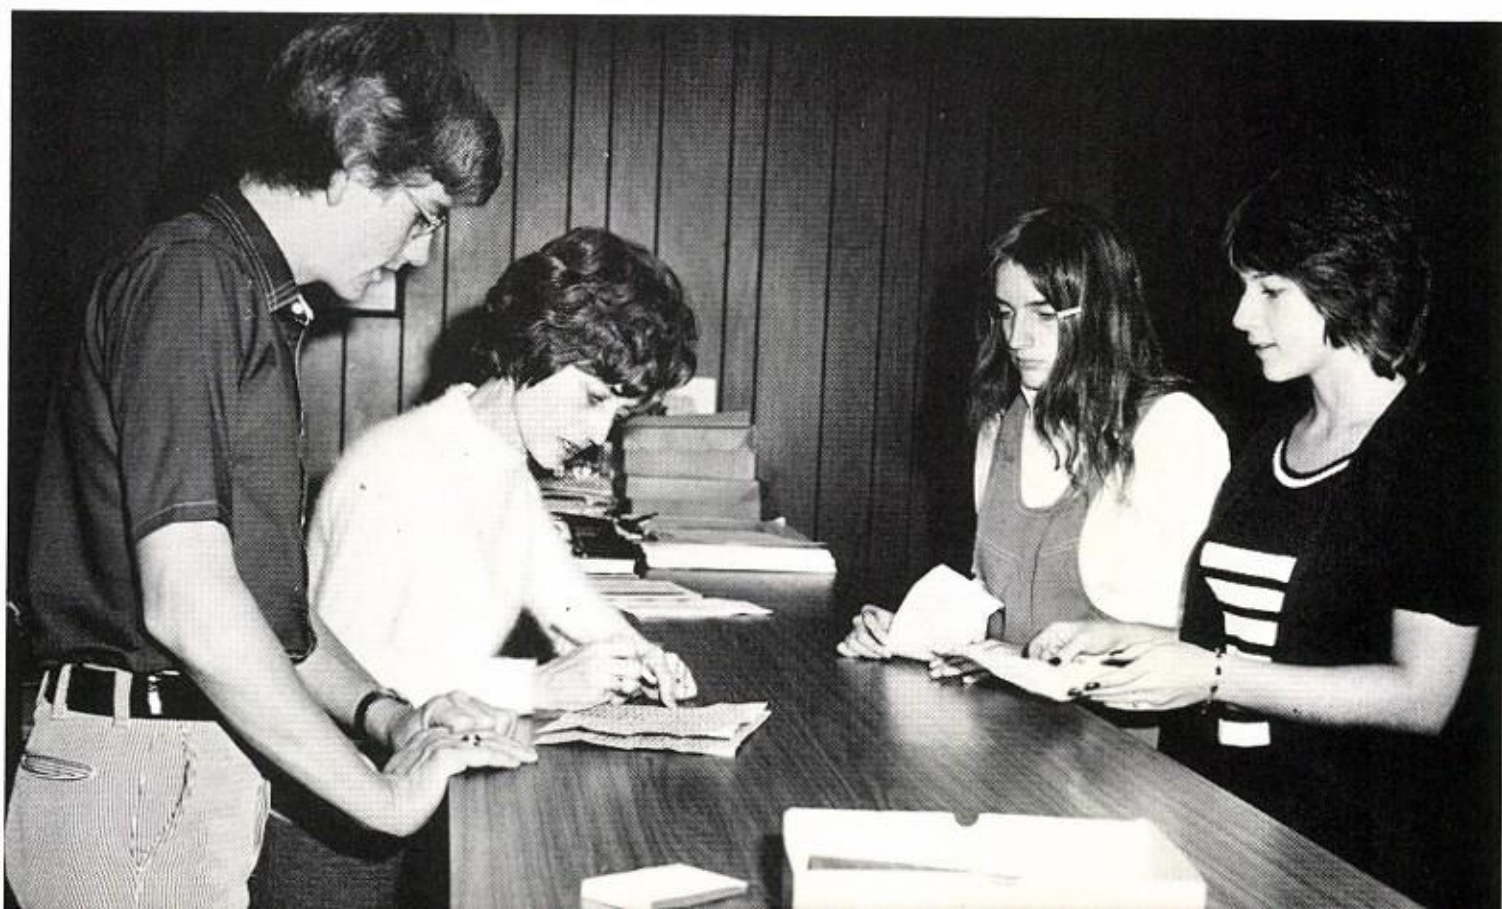

The Student Council Advisory Committee was activated occasionally to resolve problems facing our school.

With the help of the faculty, the student council conducted mini-classes again this year to offer a refreshing break in the school curriculum.

This years officers were: Steve Jones-President, Susan Carpenter-Vice-President, Cathy Lewis-Secretary, and Jo Lynn Jochim-Treasurer. The council was sponsored by Mr. Shineman, who helped guide them through another successful year.

Pictured below are the officers minus one working with Mrs. Bogenreif.

Eleven Junior candidates were tapped for Honor Society membership early this year. A formal initiation ceremony was held with President Ann Million welcoming the new members. A reception was held following initiation. The duties of the Honor Society include selecting Good School Citizen, Big Brother-Big Sister program which was new this year, and a spring trip to a dinner theatre in Omaha. Mr. Gerald Shineman serves as sponsor of the group. This organization represents the school in Scholarship, Leadership, and Character. Officers are pictured below, left to right, Eric Miller--Student Council, Barry Minter--Treasurer, Cathy Lewis--Secretary, Sherry Bogenreif--Vice President, Ann Million--President. As mentioned above, the Honor Society members started a new program this year. It is called, "Big Brother-Big Sister". The fifth and

Honor Society

sixth graders were split into small groups. Some children were helped with school work in which they were having problems. Others went into rap sessions with the older boys and girls. They discussed high school, junior high, boys or girls, teachers and any other points they wished to cover. Ann Million, President, put the program into effect. The Honor Society members all worked hard and gave up their study halls for the kids. All in all, the program was a complete success.

This year the R-Club participated in the Homecoming parade by entering the car pictured at right. They also took a trip to Kansas City to see the Big Eight Tournament, and also went to Manhattan to see the Wildcats play the Iowa State Cyclones. The members also initiated the new lettermen that chose to come into R-Club. R-Club fun night was held with great success as it is every year. Top Left: Wonder does some pushups the hard way. Our R Club

Both Varsity and Junior Varsity cheerleaders led the senior high athletes with all their spirit and enthusiasm. At cheerleading clinic, Varsity cheerleaders received 4 superior ribbons, and 1 excellent ribbon. They also showed all their spirit and received 3 spirit sticks and also got to bring the spirit stick home. The Junior Varsity cheerleaders received 1 honorable mention, 2 outstanding, and 2 excellent ribbons. Through the year, both squads supported the Bluejays through every win and loss. Pictured at the left are the Varsity cheerleaders. They are, from left to right: Sherry Bogenreif--head cheerleader, Lori Bogenreif, Maralee Sweeton, Diana Gebhards, Cindy Randall, and Julie Shineman.

Pep Club Cheers on

Pep Club had another busy year this year. Besides going to every game and cheering the Blue Jays on, they were also busy at the first of the year making their new Pep Club uniforms. The new uniforms consisted of the blue and white checked slacks shown in the picture and another pair of plain blue slacks. The Pep Club officers for this year were: Jo Lynn Jochim, president, Debbie Hecker, vice-president, Karen Gebhards, secretary, Linda Omohundro, treasurer, and Susan Adamson, student council representative.

R.P. Talent

Speech and Drama Club, sponsored by Mrs. Becky Christy, was pretty active this year. They raised money by sponsoring a White Elephant Sale and a Go Fish Booth at the Watson Centennial. They spent money and bought the Speech and Drama Department a tool kit. They had their annual banquet at the Walnut Inn in Tarkio. They also went on a spring trip. This year they had programs at their formal meetings and the members were to help with the two class plays. For entertainment they went to see Cindy Markham perform in "The Miracle Worker" at N.W.M.S.U. in Maryville. Peru State College presented three one act plays on love. They also participated in district and state speech contests. The officers, pictured lower right, were: President--M. Sweeton; Secretary-Treasurer--A. Million; Student Council--D. Gebhards.

For le club francais, 1974-75 was a successful year. The group started out by opening membership to non-French students. The club became co-ed. In November a program was presented on Fondue at a regular meeting. Then in December the annual Christmas party was held. Beginning in January, members started planning it's second annual Mardi Gras. On March 15 the event came off beautifully. The members rounded out the year with a trip to Omaha.

Students March & Sing

The Rock Port High School chorus, under the direction of Mr. Ken Greiner, presented a Christmas Vespers service that featured many small groups as well as the entire choir, and were heard on the annual KMA Radio broadcast on Christmas. They also performed at the school Thanksgiving assembly as well as the evening service at the Lutheran Church. These kids worked very hard this year to provide our school with a fine vocal music department and also represented Rock Port High School well at Music Contest, and they did a fine job.

The Blue Jay Marching Band performed pre-game and half-time shows at all of the home football games. The band, under the direction of Mr. Kenneth Greiner, also took several outings, including the Southwest Iowa Band Jamboree at Clarinda, Iowa and the Northwest Missouri State University homecoming at Maryville, Missouri. The band placed second in competition during the Maryville parade. The band was under the senior leadership of majorettes, Sherry Bogenreif, Ann Million, Cindy Randall, Cathy Lewis, and drum major, Mark Baker. These students are pictured at the left. The fall marching season, due to hours of practice, proved to be one of fun and success.

The windy woodwinds played on.

Concert Band

Mr. Ken Greiner returned as director of the concert band this year after being in the service. The band put on a concert in February and presented their contest pieces in preparation for district contest. The band continued the excellent record of a 1 at contest. After contest, the concert band went directly into their spring concert music. Mr. Greiner got a "stage band" together for the concert.

The Blue Jay band was excited to have Mr. Greiner and his fresh ideas back. The band is planning to sell magazines to raise money for new uniforms in the fall.

Jay Golfers Swing Through Another Season

The Rock Port golf team enjoyed a fairly successful season this spring, as the boys and girls teams both had more meets. They sometimes played in competition three and four times a week. This was the last year for girls golf in the spring as they will move it to the fall in the future. Both boys and girls were coached by Mr. Steve Herndon.

Jays Keep Trying

The varsity Jays had a disappointing season, ending the season with a 7 and 12 record. Several of the losses came when some of the key players were sick with the flu early in the year. The Jays did post an impressive win over the Tabor Knights at home for the homecoming. The Jays will be looking forward to next season with a good bunch of young players to go along with the returning veterans. Varsity Jays are pictured below, left to right: Manager Brian Perry, Coach Runkles, Coach Whitford, Doug Walters, Reed Martin, Mike Burke, Steve Burkhart, Jay Erdman, Barry Minter, Kym Haynes, Craig Corken, Doug Thompson, Gerry Markham, Kent Wanamaker.

The varsity girls basketball players displayed a blend of inexperience and a lot of desire in posting a 7-13 record. Led by Coach Tony Gaines, the 12 varsity girls showed all their enthusiasm and spirit. The B-team, preparing themselves for varsity ball, worked hard and improved from game to game. Seniors leaving the squad were: Maralee Sweeton and Michele Heits. The B-team and Varsity were helped by their student managers, Susan Lauritsen and Rhonda Elliott. Though the Blue Jay girls are losing two seniors, they are hoping to make next year as exciting as the years past. Wrestling

Wrestling was a new sport for Rock Port this year. They finished the season with one win, four losses, and one tie and Coach Mark Dulgarian looks forward to a better season next year. At the end of the year the team voted on the best wrestler, the wrestler with the most spirit, and the most improved wrestler. Dan Mifflin was the best wrestler, Dave Stanford had the most spirit, and Dan Stanton was the most improved wrestler. Right: Getting ready for the second round. Above: Rick fights hard.

Royalty Rock

Thoughts of football homecoming began early in the year as the student council met to plan the annual event. Out of the committee's suggestions, the theme "R.P. Graffiti" was chosen. Along with the week of float building, the '50's day helped to set the mood of the era. The faculty and students joined in a day of "slicking back the hair" and "rolling down the bobby socks". The student council held bubble gum blowing and costume contests. Some of the prizes awarded in the latter were best dressed of each class, "man about the campus", "teeny bopper" and "fonzie" awards.

Homecoming day was rainy, windy and chilly, but the parade went on as scheduled. That night the weather was clear for the game. At halftime the class floats were paraded around the football field. At the final buzzer the score was Rock Port 35 and Fairfax 0. Then it was on to the dance. Homecoming was a rockin' and rollin' success.

Dan is taken by surprise.

King candidates were Willie, Reed and Dan.

Seventh grade -- "Dance to the Goal."

The 1974-75 football homecoming theme was R. P. Graffiti. Four high school and two jr. high classes constructed a float to represent their class, that went along with the theme. With their creative minds, hundreds of napkins, bundles of chicken wire, lots of cardboard and enough lumber to make a forest, they came up with six interesting floats.

The floats were judged on originality, beauty, and on how well they kept with the theme.

Jays Boogie At a Victorious Homecoming

Basketball homecoming was held on Saturday, January 25th with games against Fremont-Mills A and B boys. Both our A and B boys teams came out on top with scores respectively 77 to 44 and 54 to 21.

Pep Club who was in charge of the homecoming dance, decided to do something different this year. They decided to get a disc-jockey. They came up with Jim Moore from WHB radio, Kansas City. Sure he played records, but he did it in a nonboring way. It was just like a radio show except it was live. He played requests and had dedications. There was a dance contest and the winners were Don Murdock and Ann Million. They each received a free album. Towards the end the students formed two lines with boys on one side and girls on the other, and had a soul train. Having a disc-jockey was really something new at Rock Port, and by the reaction of most students, they really liked it. Bottom Right: Maralee and Willie boogie.

The fountain made the room look real snazzy

This year the Juniors selected "Colour My World" as the Junior-Senior Banquet and Prom theme. Pictures were taken on a bridge with a pond underneath. Decorations included an archway covered with flowers and greenery and a fountain. At the banquet, the Junior mothers prepared a meal which consisted of roast beef, baked potatoes, corn, rolls, butter, and strawberry shortcake. The meal was served by members of the Sophomore class. The servers are shown above. They were, Row 1, from left to right: Julie Jochim, Jill Barnhart, Sandra Deckard, Marvetta Leseberg, Teresa Blasnitz, and Julie Walter. Mini School Work

Rock Port High School and jr. high once again experienced mini classes the last five days of school. The classes were either taught by the teachers or someone out of the community. A committee of teachers designed a program consisting of hobby, sport and public concern subjects. They had a different variety of classes this year than last. Some of the classes were: death, candle making, bachelor cooking, gourmet cooking, canoeing, beginning swimming, softball, dip and drape dolls, cake decorating, judo, stereo equipment, record and tape recording, baton twirling, social dance, archery, patchwork pillow, breadsack rugs, artistic typing, fishing, golf, terrarium building, crochet, needlepoint, dough art, creative writing, oil painting, tie dying, weight lifting, girls auto repair, woodworking for girls, leather crafts, office machines, publications, model airplanes, model rockets and many more. Everyone would agree that the mini classes were once again a success.

Before and

The halls!

No way!

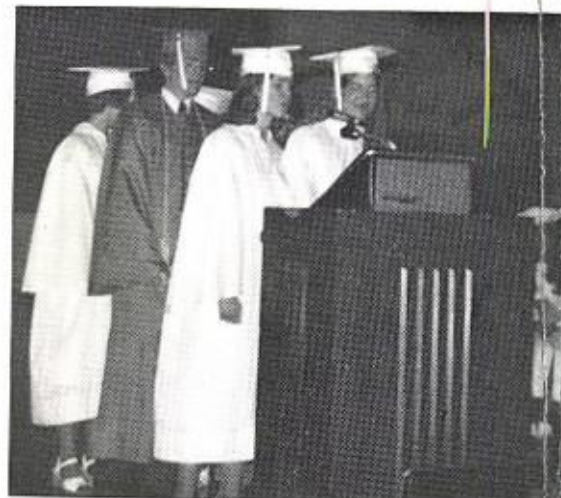

Senior Class Day!

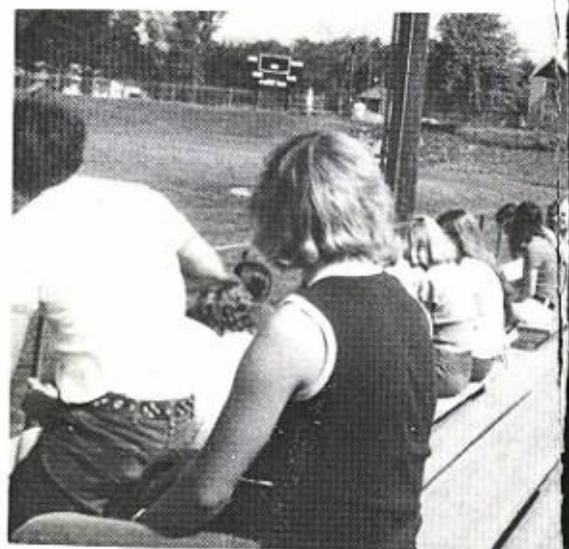

About this far.

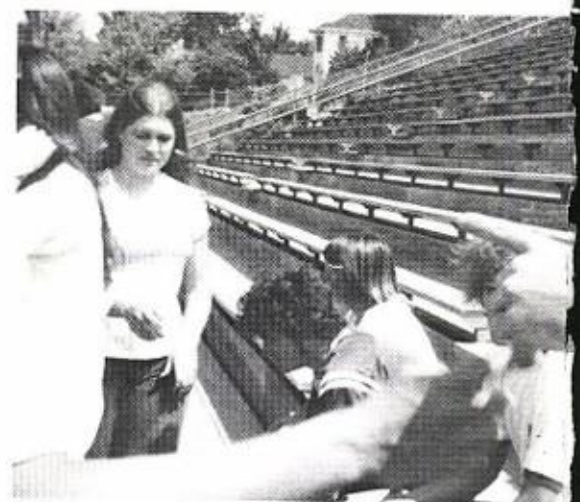

I've got a headache.

Reading the wills.

Did you see that?

To the rear . . .

After the Final Step

The seniors of 1975 began practice at 10:30 A.M. on Tuesday and Wednesday, May 20th and 21st at Blue Jay Stadium for commencement. This was swell until when the big night which was May 22nd, finally arrived it started sprinkling. Graduation was then moved into the gym. At 8:00 P.M. half the seniors were still down at the stadium. When everyone made it to the school and they were told what to do with the new plans, graduation began.

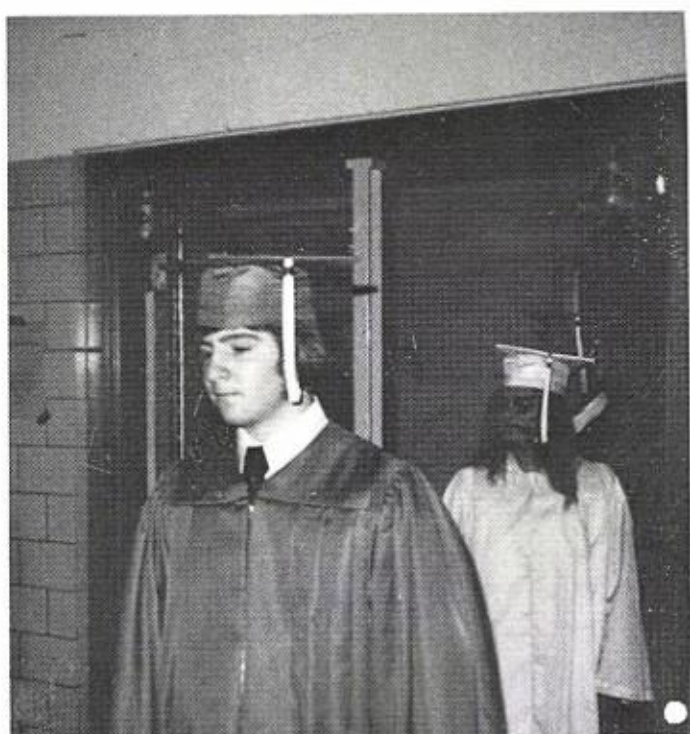

After the seniors realized they were no longer at school and didn't have to be told what to do, they (a few) cried, laughed, began to think (a little too late for a few) and started making plans for the future.

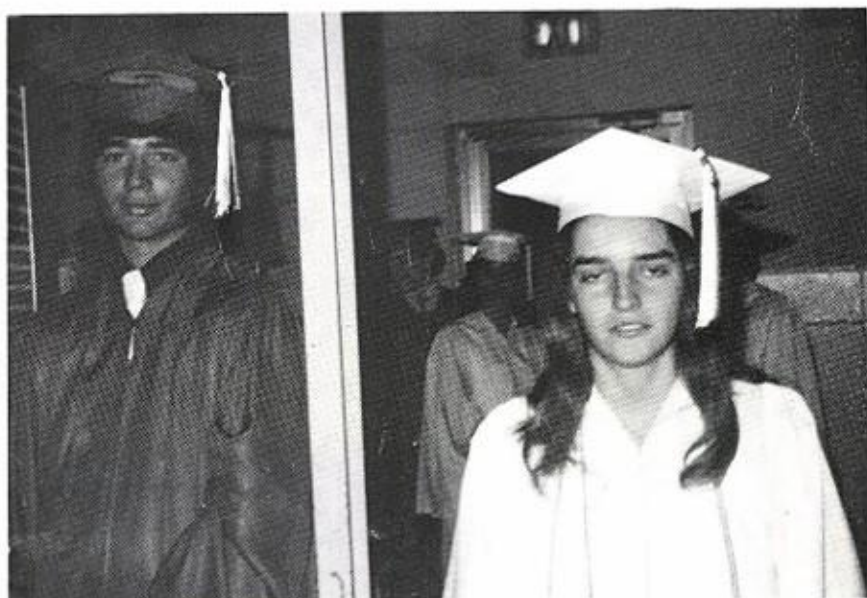

Who took my hat?

Just look at us.

I said "neat".

World's of Fun

Grad Night

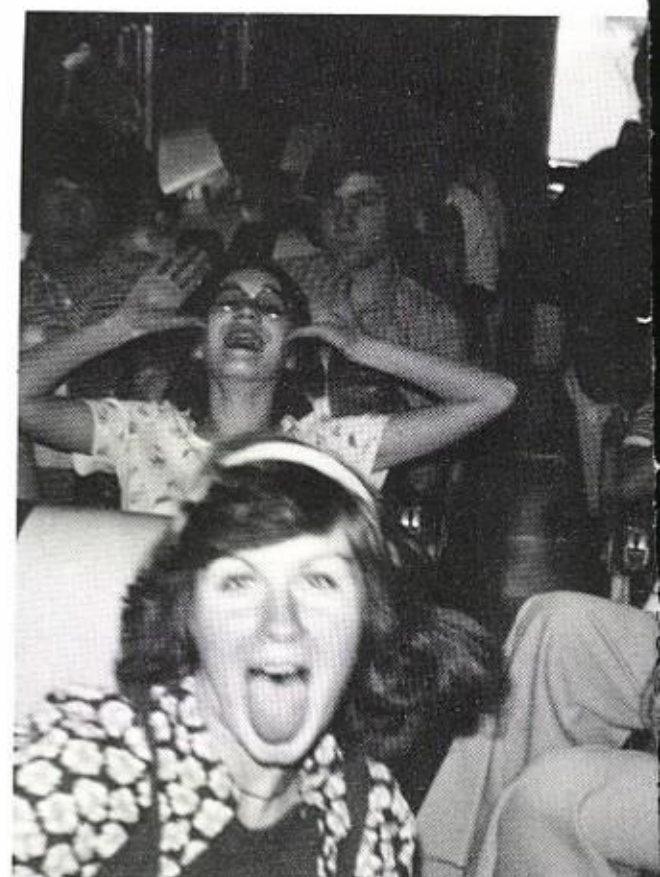

Senior Trip

The seniors started their trip to Kansas City on Friday, May 16, at 2 o'clock after senior class day.

After arriving at Kansas City everyone ate supper and then went shopping. Then everyone was treated to a show. After the show the class of 1975 went to World's of Fun for Grad Night. From 11:00 p.m. till 5:00 a.m. they were at Worlds of Fun. The seniors had breakfast at I.H.O.P. then returned home at 8:30 a.m. Saturday.

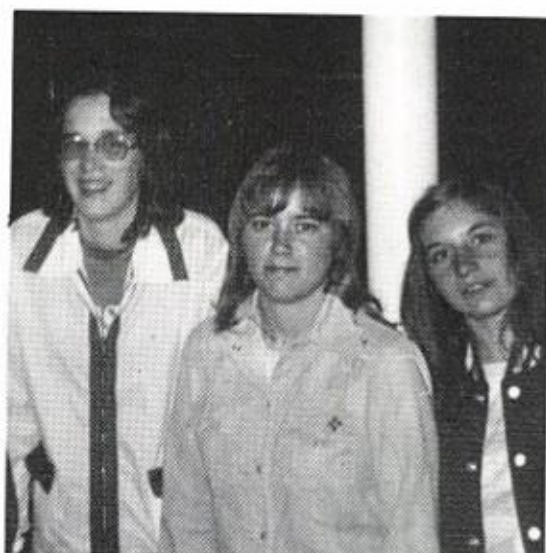

Dee and Patti smile for photographer.

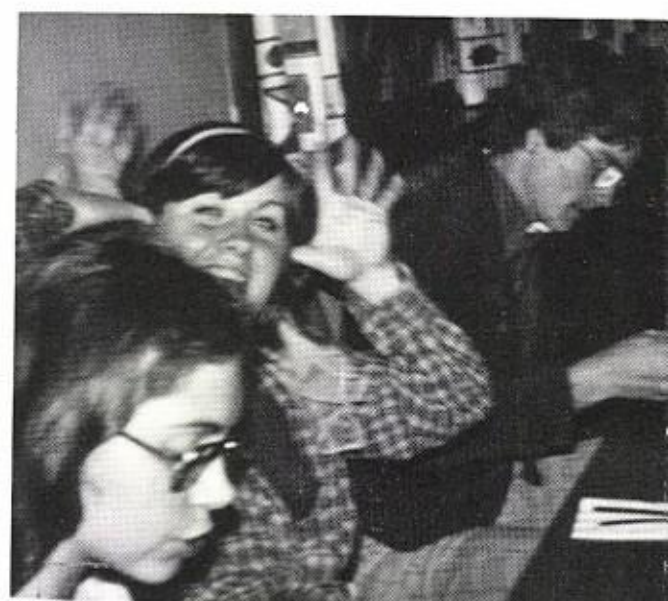

Bus ride was loads of fun!

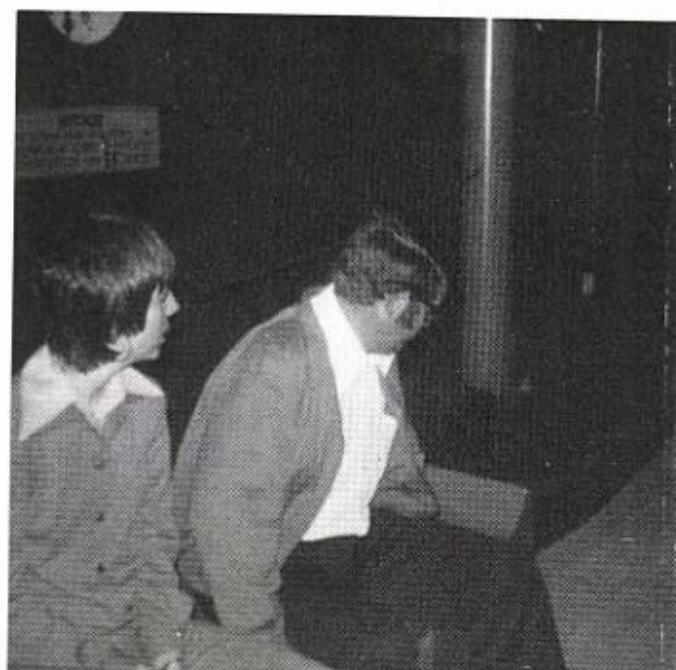

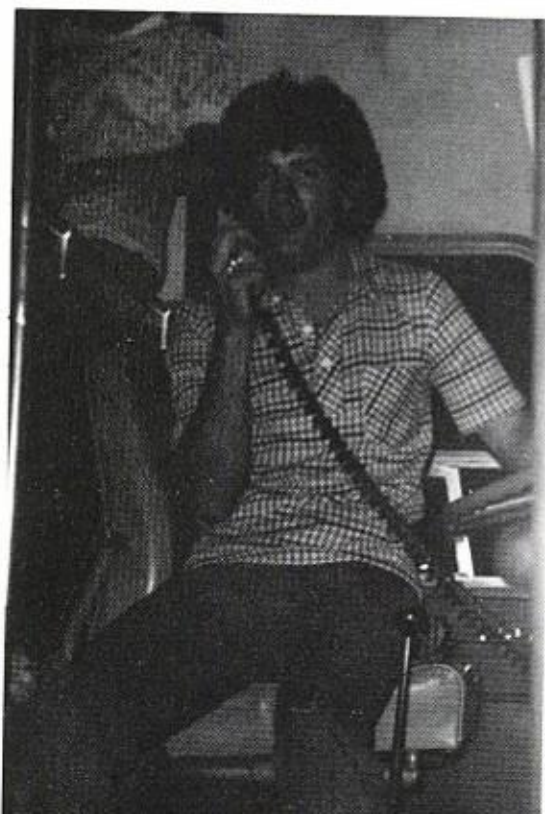

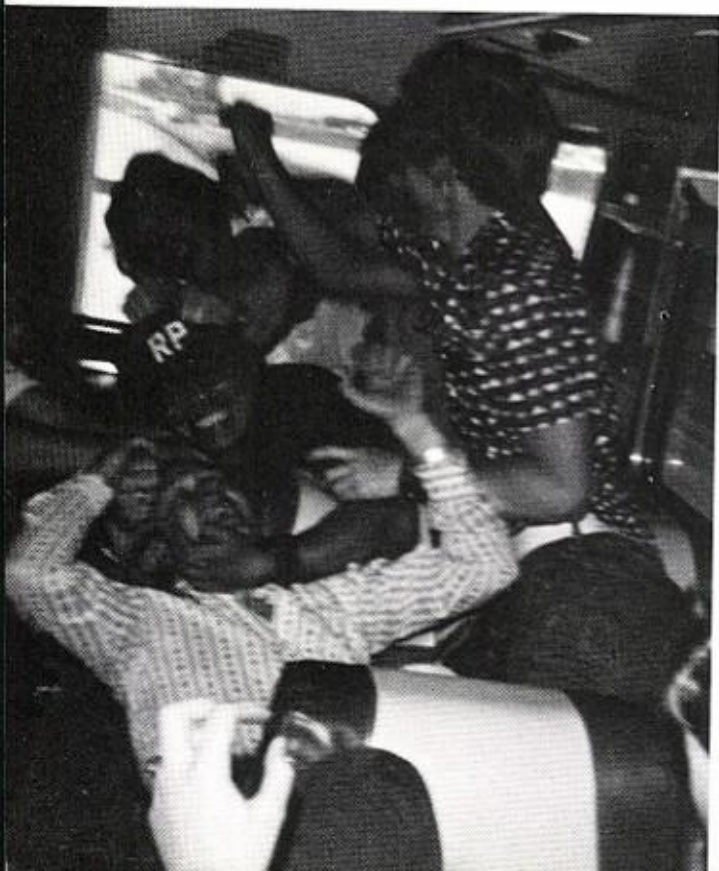

Enjoying the concert.

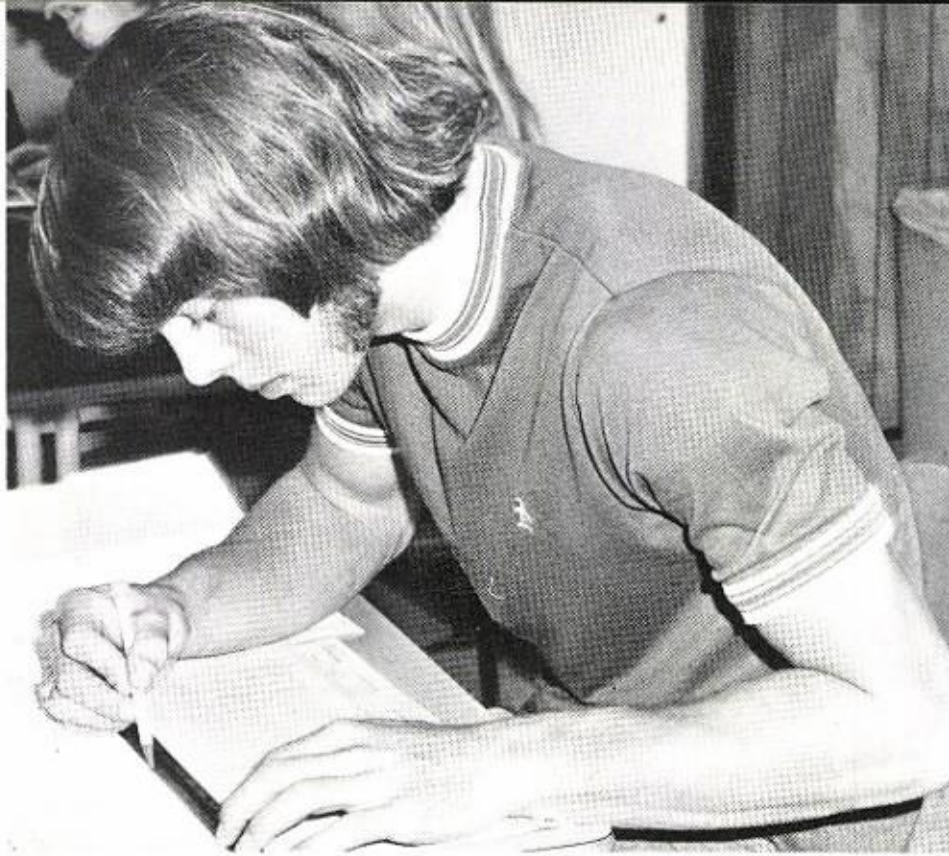

It's been a long night.

The 1974-75 school year has been one of adventure. Reaching out to people and experiences has been a part of everyday life. As we leave this capsule of time and go on to the next, we take a lot of learning with us. We each discovered something about ourselves and our places in life. We can look back over these pages and remember but for each of us there is only one way which to travel, ahead. The future holds more chances to "Reach out to experience!"
